

Happy Birthday Ishu...❤️

I love you so much yr... Aapne
jb mujhse pyar kiya tha to aap
minor the yr or ab itne bde ho
gye. Ab mera bcha 20's mei aagya
hai. Mujhe nhi pta aap mere life
kbsc itne special or important
ho gye... Mei to ab imagine bhi
nhi kr pati aapke bina life. Maine
apne 18 yrs aapke bina dekh
but now I want ki koi bhi saal
na ho jisme aap mere sath na
ho. Bs mujhe aapke sath rehna hai
yr... You are my life...❤️ Ik yr
relationship mei bohot ups and
downs aati hain buttt aapko mei
kabi alag nhi hone de skti.. Jo
bhi main try kiya hai ki aapse
door jaun mei or karub aati hu.
Kyun to hai jiski wajah se lgta

hai ki aap mere pass hi ho. Merko
lga hai aapne merpe jadu kr
diya hai...

Sch me mujhe 19 April 2025 ko
nhi lga tha ki Hrishik Singh
Chauhan mera bcha bn jayega
Jb maine kaha tha aapre ki
you deserve better kyuki merko
lga tha I wont be able to
handle all these relationship
kind of stuff.. but mujhe kya pta
tha aap mere liye ye sb itna
easy bnadoge. I really love ki
I love you. Mera sch mei past
acha nhi tha... bohot soyi thi
but mujhe nhi pta tha pyar
krna itna beautiful bn ho
skta hai... 19th April 2025 se leke
22nd July 2025 tk mere dimag
mei bohot doubt the ki kaise

sb chllga, kaise sb manage
hoga, ye long distance mei
loyalty kaise aati hogi vagran
vagran... but aapke sath sb thik
ho jata hai yeh. You are my
yellow person. Aapse baat-in
share karna, aapke sath time
spend karna merko bohot acha
lga hai.... Aapko pta hai isse
jh maine sbse pehle apse baat kr
thi wo pe thse merko lga tha
ki mai aapse zyada baat
krungi to pkka mujhe aapse pyar
ho jayega, but kabhi kabhi ye
bhi full ati thi ki kya pta aap
bhi baki ldko ki tarah nahi to?!

I was very scared yeh. Ek to aap
'itne door ho, isliye darr to lga
hai na. But ab to yeh... I
cant stop trusting and loving
you ♥.

Or bs aise hi pyar krte krte, trust
krte krte or thoda bohot idte
lati ab hum ek saal poor ho
jayega. Ishu ab to aap mere liye
book ho gye ho, bs mere ho
aap or mui puri ki puri
aapki... Har love song mui aapko
imagine krte hu or mui chahati
hu ki humari love story bhi eke
pyar se game ki tarah ho ❤️

Bs ab aapko full krna hai, ~~or~~
aapki presence full krni hai or
aapko taste krna hai.... Meri
life ab aapse start hti hai or
aapse khtm ho jati hai 😊

I hope ki ye birthday aapke liye
bohot sari khushiyen like aaye.
Bs bhagwan ji aapko sari happiness
de, meri sari blessings aapko lg
jaye... Aap khush to mui khush.
Ek baby abhi aapke liye sb bohot
tough hai, mufic hai or aapke

bohot pressure hai, but is struggle
kise kuch milta hai to ho
bohot valuable ho jata hai... aapko
sb milga is thoda sab kuchna
starting faisi marzi ho ending
achi honi chahiye na... I hope
agle b'day pe aap pe ye net ka
tension na ho.. Baby you are
very very veryyy strong sb kshoge
or is tm milenge to hume koi
tension nhi hogi. As hum dono
bohot sara pyar kenge or
bohot sara acha time spend kenge.
Bhagwan ji ne agar itni door pyar
kne ki himmat di hai to pkka
milwaenge hni. I love you so
much my bebu, my bcha, my
darling & my sweetheart.
Happy Birthday Baby and
All the very best 🍀 🍀 I love you 🍀
